7. Scoring and Evaluation

- **Points.** Each challenge carries predefined points based on difficulty.
- **Dynamic scoring.** For certain challenges, points may decrease gradually as more teams solve them, rewarding faster and unique problem solving.
- **Ranking.** Teams are ranked by total points.
- **Tie breaker.** The team that reaches the score earlier ranks higher.
- **First blood.** An additional point bonus is given to the first team to solve a specific challenge.

8. Prizes and Recognition

WINNER	FIRST RUNNER UP	SECOND RUNNER UP
Rs. 6,000	**Rs. 4,000**	**Rs. 2,000**
and certificate	and certificate	and certificate

All participants will receive a Certificate of Participation.

9. Rules and Guidelines

- **Team size.** Teams may consist of 2 to 3 members. Solo participation is also allowed.
- **Original work.** Flags must be solved by the team itself. Sharing solutions or flags between teams is strictly prohibited.
- **No external assistance.** Use of pre solved write ups, online solutions, or third party help is not allowed.
- **Tools and resources.** Participants may use personal laptops, virtual machines, and open source tools, unless explicitly restricted.
- **Fair play.** Any unethical behaviour, including DDoS attacks, interfering with infrastructure, or brute force attacks on the platform, leads to immediate disqualification.
- **Flag format.** Flags will follow the format CTF{...} unless mentioned otherwise.
- **Organizers' decision.** The organizers' judgment will be final in case of disputes.

10. Important Notes

- Bring your own laptop and chargers.
- Internet access will be provided, or restricted to LAN depending on the setup.
- Keep backups of tools and scripts beforehand. No extra time will be given for technical issues.
